LEADERSHIP IN ACADEMIC MEDICINE PROGRAM

A YEAR LONG FACULTY DEVELOPMENT PROGRAM FOR JUNIOR FACULTY

What is LAMP?

LAMP is a monthly series of workshops for new faculty in Year 2, 3 or 4 of their faculty appointment. The seminars introduce participants to the fundamentals of career planning, self-management and leadership skills. The skills and understandings developed in this program are intended to provide faculty with tools that will enable them to accomplish their primary career goals and aspirations.

How to Apply

This is a yearlong commitment and as such requires the support of your Department Chair (or Division Chief).

1. **Department Chair (or Division Chief) Nomination**: Please ask your Division Chief or Department Chair to nominate you for the LAMP program. This will ensure that your time in the program will be supported. A simple statement sent as an email with a commitment to support you sent to: facultydevelopment@med.cornell.edu will suffice as a nomination.

2. **Career Statement**: Please write a one-page statement describing your career goals. What is it that you most want to accomplish in the next three years of your work here?

Department Chair (or Division Chief) nominations and career statements may be submitted to: facultydevelopment@med.cornell.edu

For questions: please contact Drs. Lia Logio, lil9051@med.cornell.edu or Judy Tung, jut9005@med.cornell.edu.
